Vermont is home to some of the most spectacular scenery in New England. Many venues focus on the mountains, lakes and hilltop views, so why not surround yourself with this exceptional landscape for your next corporate event.

Elegant peaked tents, or a clear frame tent, each sets the scene for excitement— whether you are promoting a new product launch or celebrating a corporate milestone, the Vermont Tent Company will partner with you to make the event memorable.

We can accommodate an outdoor event at any time of year. With the aid of climate-controlling heaters and fans, your guests will be comfortable and shielded from the elements.

We offer tables of all shapes and sizes to fit your needs. And chairs— from black or natural wood folding chairs to elegant ballroom Chiavari— create the look you envision, and provide ultimate comfort for your guests.
