When it comes to creating the day you've always dreamed of, it's good to know the people surrounding you share your dream.

The Vermont Tent Company has been specializing in creating wedding celebrations to remember since 1985. Whether you envision an intimate gathering for 20 or a grand gala for 200, from conception to completion your wedding will be in the hands of the industry's most talented professionals.

We believe every wedding has its own unique allure – those certain touches that make for a signature affair that's yours alone. This idea infuses everything we do. From elegant tents, canopies and walkways, down to the finest details – linens and china that showcase your impeccable taste, chiavari chairs, Riedel crystal – our focus is on distinctive, quality selections that reflect your personal style.

Our tents and canopies ensure protection from the elements. From small canopies to our large and dramatic tents — expect only the best in quality and installation.

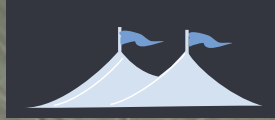

Vermont is a home to some of the most spectacular scenery in New England. Many venues focus on the mountains, lakes and hilltop views, so why not surround yourself with this incredible beauty, with an outdoor tented wedding?

Elegant peaked tents, to clear frame tents lined with lights sparkling in the night — the romance of just the evening sky above enhances your special day.

We can accommodate an outdoor wedding at any time of year, with the aid of climate-controlling heaters and fans, your guests will be comfortable and shielded from the elements.

We offer tables of all shapes and sizes to fit your style and needs.

And chairs— from white wedding folding chairs to elegant Chiavari style in mahogany or gold, to create the look you envision, and provide ultimate comfort for your guests.
